

CPR COURSE DESCRIPTIONS:

BLS Full/Recertification Courses – These courses are designed to provide a wide variety of healthcare professionals the ability to recognize several life-threatening emergencies, provide CPR, use an Automated External Defibrillator (AED), and relieve choking in a safe a timely manner.

BLS Instructor Course – This course is designed for those individuals who wish to teach BLS. Participants must have a current certification in BLS to enroll in this course.

BLS Instructor’s Update – This is a recertification course that is required for current BLS instructors to maintain their instructor’s status.

ACLS Full/Recertification Courses – These ACLS courses emphasizes the importance of basic life support to patient survival; the integration of effective basic life support with advanced cardiovascular life support interventions; and the importance of effective team interaction and communication during resuscitation. A background in EKG interpretation and cardiac pharmacology is required for this course.

PALS Full/Recertification- These courses is designed for Health Care Professionals who are responsible for the care of critically ill children and infants.

HOW TO REGISTER:

1. Complete registration form in its entirety and either fax, mail or email to the CPR office.
2. Fax a copy of your BLS card if you are registering for the BLS instructors or instructor’s recertification courses.
3. Payment is due on or before the first day of class.
