ear July 2008 - June 2009.

Dr. Preety Chawla is the Electrophysiology Fellow for the academic year July 2008 - June 2009.

Dr. Seth Hurwitz was named Chief Cardiology Fellow for the academic year 2008 - 2009.

Congratulations to Dr. Maurice Rachko and Nurse Manager Roxana Badiu for achieving 1,000 days without a central line associated infection in Beth Israel Medical Center's medical and surgical facility in Brooklyn and the cardiac intensive care unit at the Petrie Campus in Manhattan.

BI RECOGNIZED FOR IMPLEMENTING QUALITY CARDIAC AND STROKE CARE

The American Heart Association and American Stroke Association recently recognized Beth Israel for its treatment of cardiac and stroke patients. BI uses the American Heart/Stroke Association's Get with the Guidelines (GWTG) Program, a hospital-based quality improvement program designed to ensure that hospitals consistently care for cardiac and stroke patients, following the most up-to-date guidelines and recommendations.

BI joins 518 other U.S. hospitals that were featured in an advertisement in July 21st America's Best Hospitals issue of *U.S. News & World Report*.

I am pleased that Beth Israel has been recognized by the American Heart Association and American Stroke Association for our achievement in their "Get with the Guidelines Program", says Steven R. Bergmann, MD, PhD, BI's Chief of Cardiology. This program gives our professionals the tools and reports they need to effectively treat coronary heart disease, heart failure and stroke patients. This recognition is based on our excellence in managing heart attacks and stroke patients with prompt treatment that provides the highest quality outcomes.

June 2008

- The Heart Institute welcomed Diana R. Torres, Operations Manager.

March 2008

- The Heart Institute welcomed Dr. Meir Shinnar, Director, Heart Failure Program
